The Earned Income Tax Credit

You can get up to \$5,666 back from the Government this year by using I-CAN!™ E-File if you qualify for the Earned Income Tax Credit.

Beware of Refund Anticipation Loans (RALs)

RALs are high interest, short-term loans that are offered to taxpayers to receive their tax return quicker. RALs are also known as Fast Cash Refunds, Express Money, Instant Refunds or Paystub Loans. To see the cost of a RAL, check the savings box to the left.
